Senior Executive Administrator
Mile Square Roofing Co., Inc.

National Women in Roofing is a volunteer based organization with the goal to provide networking, recruiting, mentoring and education for women roofing professionals. NWIR will strive to provide an opportunity for women and men new and established, to find ongoing success working together in the roofing industry.

For more info about NWiR, please
visit our website at
www.nationalwomeninroofing.org.

Please E-mail Christine.Mockenhaupt@alliedbuilding.com
to let us know if your planning on attending.
