

NWiR

National Women in Roofing

[NEW STATE] Council

I hope that you all have been doing well and are keeping busy. It's getting to be that time of year where we all are going to be moving a mile a minute. I am so excited to invite you to our NWiR [STATE] Council meeting on May 18th, 2017 from 5:00pm to 7:00pm.

One of the main reasons why people join membership associations is for the networking opportunities and to interact with like-minded individuals who have similar interests. That is exactly what we have here! Women from all sides of the roofing industry coming together for a common goal. It doesn't matter if you work for a contractor, supplier, manufacturer, or even a technology company. If you have a passion for this industry, we are the people you want to be around! We are breaking barriers and it is such an amazing time to be where you are right now and get involved with this association.

NWiR strives to focus on connecting and empowering women so that their training and leadership skills can help drive the overall betterment and professionalism of the roofing industry. We're going to keep it casual for this meeting – just a dutch treat get together for coffee at the [local coffee shop with ample seating space] to figure out how we want to form this Council. I truly hope that you can attend this meeting and I look forward to seeing what we can accomplish as the [STATE] council!

Please e-mail me and let me know if you will be able to attend.
